## DIGEST OF INTRODUCED BILL

**Citations Affected:** IC 36-9-27.

**Synopsis:** County drain maintenance funding. Provides that in preparing the schedule of assessments, a drainage board may base the amount annually assessed against each tract of land for maintenance on the total estimated cost of reconstructing the drain divided equally over the estimated remaining useful life of the drain, if the useful life of the drain is at least 20 years. Provides that if a drainage maintenance fund has a balance in excess of the amount reasonably needed for maintenance work, the drainage board may use the balance to reduce the annual maintenance assessments for the drain. Provides that a person liable for the payment of a drainage assessment may elect to pay the assessment in equal installments over a period of not more than 20 years (rather than five years).

**Effective:** July 1, 2008.

## HOUSE BILL No. 1312

---

A BILL FOR AN ACT to amend the Indiana Code concerning local government.

*Be it enacted by the General Assembly of the State of Indiana:*

1       SECTION 1. IC 36-9-27-39 IS AMENDED TO READ AS  
2       FOLLOWS [EFFECTIVE JULY 1, 2008]: Sec. 39. When the board  
3       receives a maintenance report under section 38 of this chapter, it shall  
4       prepare a schedule of assessments that includes the following items:

5           (1) A description of each tract of land determined to be benefited,  
6           and the name and address of the owner, as listed on the county  
7           surveyor's report.

8           (2) The percentage of the estimated cost of periodically  
9           maintaining the drain to be assessed against each tract of land.  
10          The percentage shall be based upon the benefit accruing to each  
11          tract of land from the maintenance, and must be at least one  
12          hundred percent (100%) and as near to one hundred percent  
13          (100%) as is practicable.

14          (3) The amount annually assessed against each tract of land for  
15          maintenance.

16       The board may consider the factors listed in section 112 of this chapter  
17       in preparing the schedule. **In preparing the schedule of assessments,**

the board may base the amount annually assessed against each tract of land for maintenance under subdivision (3) on the total estimated cost of reconstructing the drain divided equally over the estimated remaining useful life of the drain, if the useful life of the drain is at least twenty (20) years.

SECTION 2. IC 36-9-27-45.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: Sec. 45.5. (a) This section applies when a county surveyor advises the drainage board that in the county surveyor's opinion a maintenance fund has a balance in excess of the amount reasonably needed in that fund for maintenance work in the foreseeable future.

(b) The board may **do any of the following:**

(1) Transfer an amount up to a maximum of seventy-five percent (75%) of the money in the maintenance fund to a reconstruction fund that covers the same watershed as the maintenance fund from which the money is transferred.

(2) **Use the balance to reduce the annual assessments for periodic maintenance of the drain.**

SECTION 3. IC 36-9-27-88 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: Sec. 88. All final assessments, other than annual assessments for periodic maintenance, are due and may be paid upon the date of certification of the final assessment to the county auditor, except that:

(1) the owners liable for the payment of the assessments may elect to pay them in equal installments of at least fifty dollars (\$50) per year, plus interest on the deferred payments, over a period of not more than ~~five (5)~~ **twenty (20)** years, with the yearly payments to be made semiannually at the time general taxes are payable; and  
(2) when the board designates land as urban land in its certification of the list of assessments, the owners liable for the payment of assessments on the urban land may elect to pay them in equal installments of at least one hundred dollars (\$100) per year, plus interest on the deferred payments, over a period of not more than twenty (20) years, with the yearly payments to be made semiannually at the time general taxes are payable.

SECTION 4. [EFFECTIVE JULY 1, 2008] **IC 36-9-27-39 and IC 36-9-27-88, both as amended by this act, apply to maintenance reports prepared and maintenance assessments made after June 30, 2008.**
